Its forty years since our club was formed this sadly our last Championship show as the KC will not allow us to have CC's at the moment because we did not amalgamate with another club . We look upon our selves as a Northern Club so we will still continue to hold open shows for the benefit of our supporters and give up and coming judges the chance to get more experience judging the breed.

Our first Open show will be in February with Marion Cairns judging And our second Open will be again a new venture held with in Darlington Ch Show at Ripon after the Their Pekingese classes with CC the judge elect will be Mr Roy Blevins
