

## VENTURA PEKINGESE CLUB CHAMPIONSHIP SHOW

4<sup>th</sup> May 2013

I would like to thank the Officers, Committee Members and all exhibitors who supported me on my first Championship Show appointment. A special note of thanks to my excellent ring stewards who guided me through my first time giving Challenge Certificate, they were marvellous coordinators in organising all classes.

First and foremost I was looking for the overall soundness of the exhibits. Some of the strengths demonstrated by the dogs on the day were excellent breed type, good size and proportion, strong bone, correct heads, typical movement, correct texture of coat and inherent to this wonderful breed the glitz, the glory, the glamour – all were present at the Show and I was extremely pleased with my principle winners.
